

Role Profile

Job Title:	Occupational Therapist – Older adults/Physical disabilities
Location:	Colindale
Department:	Occupational Therapy Teams
Directorate:	Communities, Adults and Health
Grade:	Grade I
Salary Range:	£41,442 - £45,510
Reports to:	Team Manger/ Lead Practitioner

Job Purpose:

- To provide a quality Occupational Therapy service to adults arising out of the Council's duties and powers under legislation and in accordance with divisional and area policy, procedures, guidelines and the professional practice standards for Occupational Therapists.
- To provide appropriate, professional Occupational Therapy assessments of older people, adults with physical and sensory needs or learning disability and carers with a focus on meeting the social care outcomes as articulated in the Department of Health's Adult Social Care Outcomes Framework.
- To safeguard adults and carers at risk of harm and promote Making Safeguarding Personal principles and their wellbeing.
- To undertake and review individualised and outcomes-led care and support. To ensure that the wellbeing principles are at the heart of assessment and care and support planning.
- To support people to maintain their health, wellbeing and independence by providing access to good quality information and advice and signposting to local preventative services, with a focus on building their resilience and strengths to stay well and achieve the outcomes that are important to them.
- To promote a culture of continuous development and professional development including to enhance the quality of practice and staff wellbeing.

1. Role Specific Responsibilities

- 1.1 To conduct or support individual assessments or facilitate and promote selfassessments using the appropriate tools and techniques in order to establish clear, relevant, proportionate, cost effective and appropriate options for the individual.
- 1.2 Based on individual structured assessments and in line with an enablement and strengths based approach, plan and set up appropriate personalised and outcomeled care and support plans that maximise long-term independence and choice and minimise ongoing support and whole life cost of care for that person.
- 1.3 Conduct risk assessments with adults and carers, in line with eligibility criteria and Mental Capacity legislation. Risk assessments will include specialist assessments of manual handling where appropriate.
- 1.4 To conduct Mental Capacity Act assessments in line with statutory guidance and ensuring adults are provided with the opportunity to demonstrate capacity wherever possible.
- 1.5 To manage an allocated caseload in compliance with statutory requirements, Council policy, professional best practice and with regard for individual choice.
- 1.6 Liaise with, establish and maintain effective working relationships with other local services, specialist teams, ICB and Hospital Trusts and the voluntary and community sector relevant to the needs of the adult in order to deliver a holistic and seamless service.
- 1.7 Refer appropriate cases and seek the support of other specialist teams and professionals and, conversely, provide professional OT support and advice to others.
- 1.8 Value and encourage the contribution of adults and their advocates, relatives, carers and support workers where appropriate, to ensure that they are engaged in the assessment, support and review process.
- 1.9 Set up minor or major equipment and/or adaptations (including care technology) providing general Occupational Therapy support and advice. Order equipment via equipment ordering portal for equipment providers for Barnet.
- 1.10 Maintain a thorough understanding of available local provision and make appropriate recommendations and action referrals to other specialist teams and providers, including prevention services.
- 1.11 To promote the use of direct payments where appropriate, and understand the role of financial assessments, and provide information and advice and guidance so that people can be supported in exercising choice based on assessed risk and expected outcomes. Support them in navigating through the appropriate procedures.

1.12	Work with the Brokerage team to procure care and support including equipment and adaptations. Work with the contract management team to provide expert feedback about the use of the equipment providers and services.
1.13	Act as “trusted assessors” for defined areas of the care and support plan subject to appropriate training and competency, in line with the objective of reducing case handovers. Identify where care technology can be beneficial and make relevant onward referrals.
1.14	Chair and participate in reviews and meetings attended by people who use services as well as by colleagues and representatives of other agencies, e.g. ICB and Hospital Trusts, community and voluntary sector, police.
1.15	Monitor and carry out timely, regular and frequent reviews of people’s care and support plans, equipment and adaptations, in compliance with service targets.
1.16	Represent the service at external meetings; prepare papers, draft and present statements and reports as required.
1.17	Take responsibility for the administrative processes associated with dealing with cases in accordance with service procedures, standards and targets.
1.18	Maintain up to date, accurate and timely records of communication, decisions, actions and outcomes relating to cases in line with the processes, standards and systems of the Council.
1.19	Take responsibility for promoting and safeguarding the welfare of people who come into contact with the service, in full compliance with Barnet procedures and that the principles are embedded in all practices, advice, decisions and support associated with this role. To ensure that the Safeguarding policy and procedures are understood and adhered to, undertaking enquiries in line with training and guidance, as required.
1.20	Where appropriately trained and competent, to act as a Best Interest Assessor in relation to assessments for Authorisations under the Deprivation of Liberty safeguards as required.
1.21	To act as lead in a relevant specialist area relating to the service user group where appropriate, (such as HIV, Asylum, hearing and visual needs).
1.22	Ensure compliance with policies and procedures of Communities Adults and Health, and those of any partner agencies, are followed, and that the service is always delivered in accordance with professional standards, policy and practice and the relevant statutory and regulatory frameworks.
1.23	Assist with monitoring and evaluating the effectiveness of the service and contribute to the development of service improvements through participation and involvement in local and central team meetings, supervision, training, conferences and other forums.

1.24	Work flexibly and respond positively to changing business and adults needs and carry out any other duties within the scope of the nature and grade of the post, as directed by the line manager.
1.25	Work to defined service quality standards to achieve excellence in communication, customer care, managing risk and delivering outcomes to defined targets, objectives and performance indicators.
1.26	Understand the budgetary framework and context of the role to ensure that the service delivers value for money and cost effective solutions and options within defined budgetary constraints.
1.27	Recommending minor adaptations in line with delegated authority and obtaining quotes for minor adaptations with support from equipment providers and their subcontractors.
1.28	Advise the team manager on a regular basis of casework plans and developments and to seek authorisation in line with divisional delegated powers

2. Key accountabilities:

- To provide supervision to Assessment and Enablement Officers.
- To support other members of the team as required.
- Provide professional support to staff within and across teams and participate in delivering training/development sessions in area of expertise.
- To be responsible for Continual Professional Development (CPD)_in order to remain professional registration. To keep up to date with key legislative changes and good practice guidance and developments.

3. Health and Safety Responsibilities (choose one option):

As an employee of the London Borough of Barnet, you are required to:

- Abide by Barnet's health and safety policy and associated arrangements
- Complete mandatory health and safety training
- Follow safe systems of work and use devices/guards provided for safety.
- Wear/use personal protection equipment were issued and instructed to do so, including lone working devices.
- Report any Accident/Incidents/Hazards.
- Take care of your own and other's safety, health and wellbeing

4. Promotion of Corporate Values

To ensure that customer care is maintained to the agreed standards according to the council's values. To ensure that a high level of confidentiality is maintained in all aspects of work. Our values:

Caring / Learning to Improve / Inclusive / Collaboration

5. Flexibility

In order to deliver the service effectively, a degree of flexibility is needed and the post-holder may be required to perform work not specifically referred to above. Such duties, however, will fall within the scope of the post, at the appropriate grade.

6. The Council's Commitment to Equality

To deliver the council's commitment to equality of opportunity in the provision of services. All staff are expected to promote equality in the workplace and in the services the council delivers.
