

## Role Profile

<b>Job Title:</b>	Head of Capital Delivery (Highways & Transportation)
<b>Location:</b>	Colindale Office
<b>Department:</b>	Capital Delivery
<b>Directorate:</b>	Growth
<b>Grade:</b>	8
<b>Type of Working:</b>	Hybrid Working
<b>Reports to:</b>	Assistant Director Capital Delivery

### 1. Job Purpose:

The Council has a large and diverse capital programme and requires high-calibre leadership to shape and deliver highways and transportation investment that enables growth, delivers value for money and improves outcomes for residents. The post holder will provide senior leadership, governance and assurance across the Highways and Transportation capital portfolio, comprising multiple complex programmes and projects at any one time.

Operating at Head of Service level, the post holder will be accountable for ensuring that schemes are initiated, prioritised, governed and delivered effectively within the agreed time, cost and quality envelope, and that delivery risks are actively managed, escalated and controlled. Lessons learnt are identified and applied to future programmes and projects. The role will provide visible leadership, embed strong delivery discipline, and drive continuous improvement and best practice in capital delivery.

In the Council's governance model, individual projects will have an appointed Project Sponsor (typically the relevant Service Director) who owns the strategic intent and required outcomes. The post holder will work to the Project Sponsor and service team, providing senior professional leadership, advice and assurance, translating strategic intent into a deliverable programme with robust governance, clear accountabilities, and controlled delivery.

The post holder will operate in a matrix management environment with wide-ranging responsibilities across the Council, working with Strategic Directors, Heads of Service and service leads to enable service strategies, liaising closely with Growth and Highways colleagues to ensure strategic alignment, and reporting to relevant boards and senior Council groups as required. The post

contributes directly to delivery of the Council's priorities, including those within Our Plan for Barnet.

## 2. Key accountabilities:

### A. Strategic leadership and portfolio ownership

- Provide senior leadership for the Highways and Transportation capital portfolio, ensuring a clear pipeline from concept through delivery to closure, and ensuring lessons learnt and benefits realisation is planned, evidenced and reported.
- Co-create delivery strategies with Service Directors (Project Sponsors), Highways, Growth and other stakeholders to ensure schemes are scoped, prioritised and resourced appropriately.
- Contribute to annual business planning for both the Growth and Highways and identify innovative approaches to improve performance, outcomes and delivery efficiency.

### B. Programme and project delivery assurance

- Be accountable for the effective delivery of complex transport and highways programmes and projects within the agreed time, cost and quality envelope, ensuring effective controls, reporting and escalation.
- Ensure effective transition of projects across the lifecycle (concept → feasibility → design → procurement → construction → handover/closure → lessons learnt), with clear gateways, governance and assurance.
- Provide leadership and operational/tactical support to project teams and technical advisers, ensuring delivery plans, risk management and reporting are robust and proportionate.

### C. Governance, compliance and decision-making

- Chair and/or lead appropriate project and programme boards as agreed with the Project Sponsor, ensuring decisions are timely, evidence-based and properly recorded.
- Ensure compliance with the Council's Constitution, including **Article 10 (Decision Making)** and associated procurement and land transaction rules.
- Attend and contribute to senior portfolio boards and the Capital Programme Board, ensuring papers are prepared to the required standard and content presented accurately and on time.
- Use commercial acumen to shape commissioning, procurement and contract strategies, and lead/oversee strategic contract reviews, realignments and material variations as required.

### D. Financial management and commissioning

- Act as Budget Manager for high value capital programme and project portfolio delivering feasibility, inspection, analysis procurement and commissions, ensuring appropriate controls, approvals and forecasting are in place.
- Identify, procure and commission and manage external consultancy (e.g., feasibility, design, specialist technical advice) to ensure capacity and capability are aligned to programme needs and risk profile.

### E. Stakeholder, member and partner management

- Work effectively with Strategic Directors, Heads of Service, Senior Officers, Members, external partners, and enabling boards to ensure requirements are defined, delivery is coordinated and risks/issues are managed transparently.
- Build and maintain strong relationships with external funding partners including but not limited to **Transport for London and the Greater London Authority**, supporting funding bids, delivery agreements and performance reporting as required.

### F. Health, safety and risk leadership

- Be accountable for Health & Safety across all capital programme schemes within the role's control, ensuring statutory and organisational requirements are met and that risk assessment, mitigation and reporting arrangements are implemented and maintained in line with the Councils project management arrangements.

### G. People leadership and management

- Lead and manage the Highways & Transportation capital delivery function, including line management of currently 6 Project Managers and Assistant Project Managers and matrix leadership of multi-disciplinary project teams and external suppliers/consultants.
- Set clear objectives, undertake performance reviews, delegate effectively and develop staff capability in programme delivery, governance and stakeholder management.
- Promote a culture of high performance, learning and continuous improvement, consistent with the Council's values.

### 3. Financial Responsibilities:

- Hold overall responsibility for financial management across the Highways & Transportation capital portfolio, including budget planning, forecasting, variance management and ensuring affordability and value for money for all programmes and projects. Ensure commissioning and procurement strategies are robust, compliant and aligned with available funding and approvals (including Article 10 requirements where applicable), with appropriate sign off in place with Corporate finance.
- Ensure appropriate financial controls, audit trails and reporting are in place for Service Director, Heads of Service, service leads, portfolio boards and senior governance groups. Support Project Sponsors in developing business cases and funding strategies, ensuring assumptions, risks and delivery implications are clearly evidenced and governed.

### 4. Health and Safety Responsibilities:

- Abide by Barnet's health and safety policy, associated arrangements, and implement the Senior Manager/Director responsibilities set out therein.
- Complete mandatory health and safety training.
- Ensure strategic and service plans take account of health and safety risks and effects on employee wellbeing.
- Monitor health and safety compliance arrangements and take action where there are concerns.
- Include health and safety in regular management team and board meetings.
- Lead by example, monitor and enforce health and safety compliance of managers.
- Ensure sufficient resources are allocated to managing risk.

### 5. Promotion of Corporate Values

To ensure that customer care is maintained to the agreed standards according to the council's values. To ensure that a high level of confidentiality is maintained in all aspects of work. Our values:

Caring / Learning to Improve / Inclusive / Collaboration

### 6. Flexibility

In order to deliver the service effectively, a degree of flexibility is needed and the post-holder may be required to perform work not specifically referred to above. Such duties, however, will fall within the scope of the post, at the appropriate grade.

### 7. The Council's Commitment to Equality

To deliver the council's commitment to equality of opportunity in the provision of services. All staff are expected to promote equality in the workplace and in the services the council delivers.
