Be Part of a School Where Values Come to Life

At Millbrook Park CE Primary School, our values of kindness, resilience, community, and respect are brought to life through the story of the Good Samaritan. These values guide everything we do—how we learn, how we treat one another, and how we grow together.

We are looking for a passionate, reflective and inspiring teacher to join our thriving, two-form entry school in the heart of Mill Hill. Whether you are an experienced teacher or an ECT, if you believe in nurturing every child's potential and enjoy working collaboratively, we would love to meet you.

Why Millbrook?

We are more than just a school—we are a growing, vibrant, and diverse learning community, where over 70 languages are spoken and every family is valued. Our school, set in a beautiful purpose-built site with woods, a 3G pitch, and even goats(!), is a place where children's curiosity is sparked, talents are celebrated, and wellbeing is prioritised.

Here are just a few things that make us special:

 A Creative Curriculum & Expansive Grounds – Our woods host Forest School adventures, and our goats are well-loved by children and families alike!

 Inclusion at Our Core – From our strong SEND and EAL support to our belief that every child can succeed, we are proud to be a place where diversity is celebrated and difference is embraced.

 Wellbeing for All – Every member of staff receives a wellbeing day each year. We also promote mental health awareness and offer Mental Health First Aid training.

 Supportive and Skilled Staff Team – We are a welcoming team with strong collaboration across year groups and leadership who are approachable and invested in your professional growth.

 Wider Opportunities for Every Child – From drama and art therapy to lunchtime clubs, we believe learning goes beyond the classroom.

 Rooted in Values That Matter – Inspired by the Good Samaritan, our children learn not just to achieve—but to care, support, and thrive alongside one another.

What Are We Looking For?

We are seeking someone who:

- Brings passion, curiosity and a strong sense of purpose to their classroom
- Values inclusive and creative teaching, with high expectations for all learners
- Can collaborate effectively with colleagues, parents and professionals
- Is open to reflecting, learning and growing with the support of an excellent leadership team

We warmly invite prospective candidates to visit us and see the Millbrook spirit in action—you'll find enthusiastic learners, committed staff and a culture of mutual respect.
