Post Title: Level 3 Room Leader in baby setting (9months to 2 years)
Salary: Grade F

Would you relish the chance to work in our beautiful setting for babies from 9 months to 2 years? We are looking for an experienced, committed, motivated and engaging practitioner to join our team in developing a stimulating environment and inspiring successful young learners.

We will need you to be proactive, prepared to develop your own practice and able to build positive relationships with families and your team. You must be self-aware, reflective, reliable and able to work as part of a team as well as showing initiative to complete tasks alone. We want your passion and creative ideas to capture the imagination of a range of young pupils and their carers.

You will become part of EYFS team here at Frith Manor where we believe in developing confident, curious, flexible, eager and independent learners through a mixture of adult planning and child-led experiences indoors and outside. At Frith our aim is to nurture, inspire and challenge and our values are friendship, resilience, independence, teamwork and honesty.

We require an early years practitioner with at least two years' experience with high expectations and aspirations, committed to achieving the best outcomes for all pupils. You must have experience of working with babies. We expect a comprehensive understanding of the revised EYFS curriculum along with experience of planning, evaluating and reporting and excellent communication and interpersonal skills. It would be desirable if you have experience of using Tapestry.

Application form and JD attached. Completed application forms should be returned directly to the school. Please email Mrs Locke if you require any further information - sbm@frithmanor.barnet.sch.uk

Closing date: Monday 13th April 2026
Interview date: Monday 20th April 2026

We are committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to share this commitment.
